

Parking Calle Sevilla 5

**Sanitary measures
adopted by
COVID-19:**

We daily provide **gloves and hydroalcoholic gel** to our clients, in the entrance, for your safety.

We **clean** several times a day, with bleach and disinfectant products, all surfaces and spaces.

Every 4 hours and every day we **fumigate** the facilities to disinfect and prevent them from becoming contaminated.

The **staff** has all the necessary material of protection demanded by health authorities.
